With many years of gift planning expertise, Lauren Parda is ready to help you thoughtfully put your philanthropic goals into action. She will team up with you (and your financial advisor, if you'd like) to identify the giving options at the Community Foundation that are best for you.

She'll also connect you to Community Foundation staff with extensive knowledge about our region's challenges and opportunities. Equipped with their wisdom, you can direct your gifts to the nonprofit organizations doing the best work in addressing the community concerns you share. And Lauren will take care of all the administrative details — so giving is easy for you!

Lauren came to the Community Foundation after serving as the director of planned giving at the University of Hartford, where she oversaw the development and execution of long-term planned giving strategies and the management of the University's legacy society.

Lauren is a member of the Estate and Tax Planning Council of Eastern Connecticut, the American Council on Gift Annuities, and the National Association of Charitable Gift Planners.
